protections.

--Indiana's Telephone Privacy law  
has much improved our time at home, especially  
in the evening, our family time.

--We used to receive 10-15 calls per  
week. Since adding our name to the no-call  
list, we have only had one call, and that one  
was from an "after market" company following  
an internet purchase.

--Please leave the law AS IS. Thanks very much.
